Scarborough Fair Bed & Breakfast Chosen as Best Urban Inns IN THE BEST OF BEDANDBREAKFAST.COM AWARDS

Baltimore, Maryland -- The Scarborough Fair Bed & Breakfast of the Federal Hill neighborhood of Baltimore City, Maryland, was selected as Best Urban Inns in the annual Best of BedandBreakfast.com Awards, 2009-2010. The Best of BedandBreakfast.com Awards are based upon a qualitative and quantitative review of the nearly 50,000 independent reviews submitted to BedandBreakfast.com, the leading online B&B directory and reservation network worldwide.

"BedandBreakfast.com surveys show that independent reviews are the most important factor when choosing a B&B. In fact, according to BedandBreakfast.com's most recent survey, 96% of consumers consider reviews to be somewhere between important and essential when selecting a place to stay, and 12% will not make a reservation at a property without them. We're delighted that inngoes concur that Scarborough Fair Bed & Breakfast is deserving of its accolades from travelers," explained BedandBreakfast.com's Sandy Soule, one of the most highly recognized authors and a spokeswoman for the B&B industry. "Clearly, Scarborough Fair Bed & Breakfast earned its stellar reviews from inngoes for its quality accommodations, breakfasts, amenities, and wonderful hospitality and service," commented Soule.

"It's a true honor to be chosen for a Best of BedandBreakfast.com award, and we thank our guests for the positive reviews that resulted in this award, stated Barry Werner, owner and host of Scarborough Fair Bed & Breakfast innkeeper. "It is gratifying that our guests took the time to share their comments about our hospitality, accommodations, breakfasts and attention to the details which set Scarborough Fair Bed & Breakfast apart," commented Werner. He continues, "It is our same genuine care for our guests and their experiences in our neighborhood and city that contributed to our being the first in Baltimore City awarded membership to the Select Registry; Distinguished Inns of North America. " Here's an excerpt from one of our reviews: What a great place! What a fantastic location! My room was exquisite and spacious. And Barry, Jeff and Claudette could not have been more gracious and accommodating. They spoiled me with their wonderful breakfast, mid-day snack, and the guest's refrigerator with a great fruit drink and spring water. Take advantage of the front lounge for reading as well as Barry's suggestions as to where to dine, etc.
